

A modern living room interior. In the foreground, a brown leather sofa is partially visible, adorned with two patterned cushions: one with a blue and white geometric design and another with a brown and white geometric design. Behind the sofa, a brick wall serves as the backdrop. On the wall, a framed abstract painting is displayed, featuring large, overlapping circles in shades of purple, green, and grey. To the right of the sofa, a floor lamp with a black conical shade and a brass-colored stand is visible. The overall atmosphere is warm and contemporary.
